

# New York Microscopical Society

## 2018 Holidays Banquet

---

**What:** A sumptuous, festive Buffet Dinner (menu below) with your fellow-members and guests. Also meet and enjoy scientific and human observations from NYMS member and world renowned National Assn of Science Writers journalist and author **Eugenia Bone** (*Microbia: A Journey into the Unseen World Around You* (2018)--copies available at our dinner, *Mycophilia* (2013), and more)! Satisfy mind, palate, and congeniality with this collegial and friendly dinner at The Landmark Tavern, one of the oldest, most welcoming, coziest, and heartiest Irish pubs in New York City -- NYMS' favorite kitchen and tap in Manhattan!

**When:** Sunday December 19, 2017, noon to 3:30

**Where:** The Landmark Tavern, 626 11th Ave. at W. 46th St., NYC  
Tel: 212-247-2562

**Menu:** A poultry dish, a fish dish, a roasted root vegetables dish, a steamed garden vegetables dish, a green salad with tomatoes--lightly dressed. Nothing fried. Nice bread/rolls, butter. Cake, pie, cookies, and fresh fruit for desserts. Table service for water, sodas, coffee, teas; cash bar via table service or bar.

**NYMS-subsidized low cost:** Pay \$35.00 per person, plus cash bar

**RESERVE NOW:** Send EMAIL to: [nyconsnfdn@aol.com](mailto:nyconsnfdn@aol.com) , or send text to, or leave message on 646 338 6566, by Dec. 5, telling who & how many. Bring cash, or check made to " NYMS" !

### Meet Our Guest Speaker, Eugenia Bone!

While researching *Mycophilia*, her book about fungi, author Eugenia Bone became fascinated with microbes—life forms too small to see without a microscope. Eugenia wanted to understand microbes in their ecosystems, and how they support and enable plants, animals, and people. Her *Microbia: A Journey into the Unseen World Around You* invokes biology as a vast conspiracy of microbes. Links to more info:
